

LEBOO

Healthcare Products Limited

Surgical Gowns, Surgical Drapes & Packs,
One Stop Solutions

About us

Leboo was founded by a professional team, with over 10 years' experience in the medical field in China. We have 2 factories and our company is aiming to provide high quality service to the healthcare, medical and industry area by producing disposable nonwoven and PE products, such as gowns, caps, masks, bed sheets, gloves, aprons, sleeve covers, shoe covers, as well as other products. To reach this objective, we built our 100,000 grade clean room in year 2014, giving the best guarantee of the product quality.

Commitment to quality

As a manufacturer of disposable products, Leboo is dedicated to providing the superior quality products, in this pursuit, Leboo have attained ISO 13485, CE 0197 and FDA, the most stringent international standards for producing quality products, as a result, Leboo's customer are able to benefit from lower costs and reduced products defects.

Good reputation

With many years exporting experience to Europe, U.S.A., South America, South Africa, Middle east and Asia, Leboo has established a solid reputation with stable prices, reliable supply and excellent services. We are confident in our ability to build even better reputation all over the world.

Our advantage

Rich experience on OEM service
High focus on customer needs
Strict quality control
Prompt delivery and competitive price
Professional and well- trained staff
